

Merry Christmas

The City of Brady is pleased to inform our customers that the December Electric charge will be significantly lower by approximately 4 cents per kWh as we pass back 100% of recent cost savings from the city's wholesale power provider, LCRA.

This New Year, Resolve to Use Less Plastic

TAKE CARE
OF TEXAS

Make refillable water bottles a habit. Carry one with you on road trips or when you run errands and leave a bottle at work. Flying? Bring your empty bottle to the airport and fill it up after you pass through security.

TOTE
BAG

Shop smart at the grocery store. Bring your own cloth bags, reusable containers for bulk, and produce bags, and avoid produce packaged in plastic.

Say "no" to single-use straws. If you want or need a straw, buy a reusable one that is sturdy and dishwasher-safe.

Choose items with less packaging when you're shopping. If you can't avoid the packaging, ensure that you can recycle it.

Pack your lunch in reusable containers instead of plastic sandwich bags, and avoid individually packaged foods.

Invest in a reusable, insulated mug for hot and cold beverages. Unlike disposable cups, insulated ones will keep your hot coffee hot and your iced coffee cold—plus some shops offer a small discount if you BYOM (bring your own mug).

Ordering food for pick-up or delivery? Tell the restaurant you don't want plastic cutlery and skip any unneeded condiments. Dining-in? Bring your own to-go container for leftovers.
